

Cut Prices

In Our Clothing Department.

IN any stock of clothing as large as ours, there is bound to be an accumulation of Odds and Ends---broken suits---off styles and Carried Over's. We are constantly fighting this accumulation, and for the next few days we will make an unusual effort to dispose of a

Couple of Hundred Garments.

Our plan for doing it is the same old plan we have been working on for the past ten years. It's a good one---we have tried it and it has never failed us.

It is the Cut Price Plan--

We cannot quote prices, on account of the variety and broken condition of this lot of goods, but this we'll say: come in and allow us to show you through this lot of suits, odd pants, odd vests, odd coats &c., and if we can't

Satisfy You

on the price we will pay your expenses coming.

There are also 100 child's suits, all sizes, which we have cut from 1-4 to 3-4 off.

One lot of 75 pairs child's knee pants, 4 to 10 years, for 10 cents.

Asylum Inmates Entertained.

The hall at the asylum has been thoroughly renovated and a very enjoyable entertainment was given Thursday evening. Mr. Chas. Knight, Chairman of the Board of Commissioners, delivered an appropriate address, after which a concert followed. Music was furnished by Ward's band and the asylum orchestra and the well arranged program was carried out to the letter. After the concert the attendants indulged in dancing until a late hour. Several young people from the city attended and all were elegantly entertained by Dr. Letcher, Superintendent, and his corps of assistants.

Hopkinsville Again a Winner.

Our local nine have two more victories to their credit. They defeated Madisonville again Thursday by the score of 9 to 4. On Friday the score stood 5 to 3 in Hopkinsville's favor. The announcement that Henderson would play here yesterday and to-day was an error. There will be no games here until next Monday and Tuesday, June 8 and 9. Henderson will play the home team on those dates.

Owensboro also plays here Thursday and Friday, June 11 and 12. The Hopkinsville club is playing Henderson to-day, in Henderson, and the two nines will have another game tomorrow.

Thousand Dollar Damage Suit.

J. W. Griffin, of Lancaster, Ky., has through his attorneys, Messrs. Brown & Hill and Bush, filed suit for \$1,000 damages against Dr. Ben Letcher, Superintendent of the Asylum near here, alleging breach of contract. Griffin claims that he was recommended for the position of gardener by the Governor and was promised the place by Dr. Letcher, but that he failed to get said place on arrival. The case will come up at the present term of court.

Circuit Court Begins.

The June term of Circuit Court convened in the city yesterday for a four weeks' session with Judge Jas. Breathitt on the bench. The grand jury was empaneled and after receiving the instructions from the Judge were discharged until this morning. This morning the petit jury will be made up and the trial of cases will begin. There are 130 new suits, and with the 350 or more continued cases the docket shows about 500 cases to be disposed of.

Used a Knife on him.

Geo. Bullard and Chas. Hord had an altercation Saturday which came near resulting seriously. Bullard was knocked down, he pulled out his pocket knife and slashed Hord in several places. Hord's wounds are not of a very serious nature, though his clothes were slashed in a number of places. Bullard was arrested and will have an examining trial to-day.

Decorations Day at Crofton.

The annual memorial services were observed by the John V. Boyd Post G. A. R. at Crofton Saturday. Rev. Q. H. Shinn, of Galesburg, Ill., delivered the address to one of the largest crowds ever assembled at the place. A basket dinner was served on the grounds, and the usual program was fully carried out. A large number from this city attended.

Woman Killed by Lightning.

Clarksville, Tenn., May 31.--During a rain and thunder-storm to-day the wife of Charles Dinkins was killed by lightning while sitting in a chair at the home of her brother-in-law in the Sixth district of the county. Several other persons were in the house at the time, but were not injured.

Hopkinsville Gets It.

Richmond, Ky., May 28.--Hopkinsville will be the next annual conclave of Kentucky Knights Templar, no other city bidding for the honor.

Attorneys Brown & Hill and S. D. Reese have filed 43 suits against the Sun Life Insurance company, of America. Eleven of them will be tried in the Circuit Court and the balance at the next quarterly term.

George Riley died at his home near Mayville, aged eighty-six.

SWEEPING VICTORY.

Stalwart Democracy Achieves

A Signal Triumph.

EVERY DISTRICT EXCEPT THE FIFTH GOES FOR SILVER.

The Democrats Were Aroused And Thousands Turned Out.

CHRISTIAN ON THE RIGHT SIDE.

The people have spoken in thunder tones and a sweeping victory has been won for double standard Democracy all over Kentucky. Bimetallism will continue to be a principle of the Democratic party and we will hear no more of Shermanism except in the Republican party, where it originated.

Every district in the State has gone for bimetalism and in several of them the goldbugs did not carry a county. Ninety of the 118 counties heard from have gone for silver. Even in Louisville the gold bugs had hot fights on their hands in five of the nine districts and in two of them only carried their point by refusing to give the silver men a count. This caused splits and there will be five contesting delegations from Louisville, one of them in Chairman Chas. R. Long's own district. If there is any merit in this contest, the Democrats of Kentucky will doubtless take great pleasure in passing upon it, since Mr. Long heads the goldbug delegation.

The following is the vote by districts, which shows that the goldbugs will have only two of the 26 delegates and they will be controlled by the unit rule:

Russell, Lewis and Campbell counties were the only ones where it was not a fight to the finish and the delegates made solid for the winning side. It was not a good day of compromises.

Jon. H. Johns, of Floyd is the only one of the Carlisle bolters in the legislature outside of Louisville who will go to the convention and he goes on a free silver platform.

Shelby had the biggest convention. There were 1900 voters present and silver won by over 500.

Union did herself fraud with 1034 silver men out of 1279 on hand.

Blackburn, Hardin and Rhea will undoubtedly be three of the four delegates at large.

Mose Glenn, postmaster at Central City, goes as a free silver delegate from Muhlenburg.

Metcalfe county instructed for Urey Woodson for one of the delegates at large.

Todd had 900 Democrats on hand and not a vote was cast against silver.

Kenton as usual sends two sets of delegates. Separate and distinct conventions were held.

Both districts in Fayette went for silver. No mistake was made in taking the convention to Lexington.

Boyle county was lost to the gold-
